

Catalogue: **Urban Furniture**

Category: **Ashtrays**

Code: **PE21022**

#### Description:

Bin made up of an elliptical container in galvanized steel sheet, complete with bag holder ring. The container fixed to the 2 lateral tubular steel supports which, in the version with roof, are joined at the top by a shaped sheet metal lid with or without an ashtray with net for extinguishing cigarette butts. The waste bag is removed by unlocking the universal key lock which allows it to be opened.

Hardware and bolts: galvanized according to UNI 3740.

Anchoring: floor level. Concrete plate to be bolted, available at an additional cost.

Dimensions: L 50 x D 27 x H 100 cm.

Basket capacity: approx. 50 liters
