

Catalogue: **Urban Furniture**
Category: **Concrete benches**
Code: **PE11021**

Description:

Bench with seat composed by nr. 4 and back from nr. 2 pine wood slats.

Bases made of vibrated reinforced concrete with continuous forming, with high frequency vibration in order to obtain a better compaction of the dough; packaged with controlled grain size and then smoothed aggregates.

Surfaces protected with water repellent paint for outdoor use, natural effect, resistant to yellowing and chalking.

Available in finishes: sandblasted concrete, pebble gray, fake white travertine cement.

On request, in cement with marble chips.

Dimensions:

L 220 x W 68 x H 78 cm - 260 kg

Notes:

Being products made with natural inserts, they are subject to color variations due to external agents.
