

Catalogue: **Park & Playground Equipments**

Category:

Code: **PE02165**

Types of school: **adulto**

Description:

Hexagonal gazebo with 9x9 cm section load-bearing beams with rounded edges on each side to eliminate any risk of chipping.

Composed of 6 sides, 5 closed sides, equipped with a book opening to create shelves and on 1 side the access door.

Roof achievable with Canadian tiles.

Overall area diameter 260 cm.
with sides of 130 cm.

All our woods are made of Nordic pine with ecological pressure impregnation that allows optimal and lasting protection of the wood outside.
