Description:

Eco-friendly and durable 100% virgin PVC flooring with an orange peel finish. Thanks to its interlocking system, the installation does not require glues and is simple and immediate. Model suitable for all indoor applications: it cushions the fall of tools and various objects, reducing the risk of breakage. To ensure maximum wear resistance, the tiles are protected with a special treatment, unique in Europe, with exclusive protective varnishes that increase resistance to abrasion and dirt, making cleaning easier and preserving the beauty of your floor over time.
