Catalogue: Park & Playground Equipments

Category:

Code: **PE02890** 

Description:

Table set for mud games, made of pine wood.

The game consists of three tables. The first table has two basins with lockable water outlets and an additional plastic basin for transport. The second stratum has three basins and can simulate a stream. The third table serves as a catch basin for the stream. The water play area can be used from all sides and is perfect for groups of children.

Dimensions: 313 x 60 x 58cm
