

Catalogue: **Park & Playground Equipments**

Category:

Code: **BL04007**

Description:

The "Girasole" PVC blackboards are large floral panels ideal for outdoor use. They are weather resistant and can be left outdoors all year round. With chalk or liquid chalk, children can let their imagination run wild at any time and paint as they please, play school and do their first writing exercises. The painting panels can be easily attached to fences with cable ties or to walls or doors with screws.

Dimensions: (H/W) 117 x 81cm

Material thickness: 3cm
