

Catalogue: **School and Community Furniture**

Category: **Tennis Table**

Code: **PE11049**

Description:

The outdoor ping pong table is made of high quality architectural concrete with metal frame inside.

The table top is rectified and painted to make the surface smooth and shiny with a high durability to atmospheric agents.

Rounded top edges with an aluminum profile to prevent accidental injury.

Upper mesh made of stainless steel with a thickness of 5 mm and assembled in order to prevent theft or acts of vandalism.

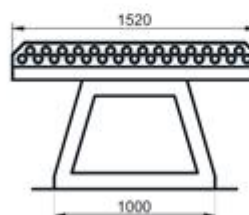

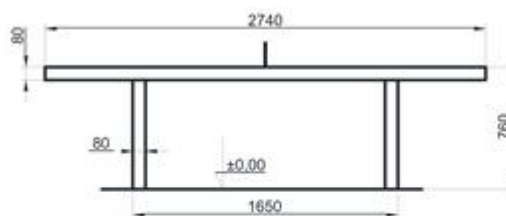

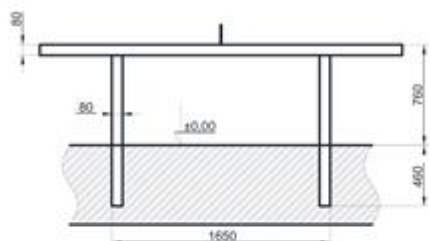

The rest of the metal parts are hot dip galvanized.

The total safety and functionality of the equipment can only be maintained when inspections are carried out regularly.
